The annual volume of the *Publications of the Modern Language Association of America* is issued in quarterly instalments. It contains articles which have been approved for publication by the Editorial Committee. To a considerable extent these are selected from papers presented at meetings of the Association, though other appropriate contributions are also accepted. The first number of each volume includes, in an Appendix, the *Proceedings* of the last Annual Meeting of the Association and its Divisions; the fourth number of each volume contains a list of the members of the Association and its Divisions.

Volumes I to VII of the *Publications*, constituting the Old Series, are out of print, but Volumes I to IV, inclusive, have been reproduced, and can be supplied at $3.00 each. All of the New Series, beginning with Volume VIII, may be obtained of the Secretary at the rate of $3.00 a volume, or $1.00 each for single numbers.

From January, 1923, the annual subscription to the "Publications" is $4.00; the price of single numbers is $1.30.

All communications should be addressed to

Secretary of the Association,
